

# Paint a PEBBLE PAL

Round, flat, smooth pebbles are perfect for painting a pebble pal.  
Collect some from your garden or local park using a small tub  
(a Yeo Valley Butter tub is perfect) and get creative.

## YOU WILL NEED:

- A selection of pebbles (round, flat, smooth ones are best)
- Paints and brushes
- PVA glue (optional)

## INSTRUCTIONS:

1. Wash the pebbles in warm, soapy water and leave to dry.
2. Paint your pebble pals like your favourite wildlife. (Need some inspiration? Try copying some of the designs on the right.)
3. Leave to dry and cover with a layer of PVA glue if you want your pebble pals to be weatherproof.
