LADYBIRD

We can all play a part in living more organically to protect and help nature. Caring for the insects and birds you spot today is a great start!

BEE

Bees are amazing flyers - they can fly at a speed of 25km per hour and beat their wings 200 times per second!

FLOWER

Flowers are not only beautiful to look at, but are great for attracting pollinators and providing shelter for small insects and bees.

BIRD

To attract more birds to your garden create a bird bath full of fresh water - not all birds are attracted to feeders, but they all love water.

BUTTERFLY

Did you know that there are over 60 species of butterfly in the UK and up to 22 of these can be recorded in your garden!

DID YOU KNOW?

Our farms are positively bursting with beautiful flowers, insects, birds and bees, and that's just the way we like it. We farm organically, meaning there are habitats and havens for wildlife
